Aircraft Management

IsraJets takes pride in being a trusted partner of a renowned aircraft operator. We offer aircraft management services under part 135, reducing operational costs for aircraft owners. Our clients can rest easy knowing that their aircraft is in the capable hands of our experienced team, providing peace of mind and unmatched care.

Services

Government Solutions

At IsraJets, we have a carefully vetted team specializing in government solutions. We work closely with major U.S. government organizations, earning their trust to handle any mission or last-minute request from anywhere.

Dispatching Services

IsraJets boasts a dedicated department for dispatching services, overseeing ground operations, securing overflight permits, and coordinating crew logistics. Our comprehensive approach not only distinguishes us as a client- and quality-first company, but also ensures seamless operations and guaranteed, stress-free travel for our clients.

Handling Services

We manage all ground operations, ensuring seamless journeys for our clients.

Overflying Permits

We expedite the typically time-consuming process of securing overflying permits, even for asap flights.

Crew Coordination

We handle all crew-related logistics to ensure their comfort and peak performance.

Global FBOs Relationships

Through our worldwide network of Fixed-Base Operators, we secure favorable deals and personalized attention for our clients.

Flying with us means you'll always **feel as safe** as you do at home. We've earned top safety marks from aviation experts, such as...

WYVERN
BROKER

Experienced and certified crew that undergoes background checks and regular safety training.

State-of-the-art aircraft that are regularly inspected and maintained.

Personalized security services upon request for those who require discrete travel or protection.

“ We frequently travel by private jet, and I must say I was thoroughly impressed with all aspects of the logistics and the exceptional crew. The crew exhibited an exceptionally high level of attention and professionalism, meticulously handling every detail of the operation. We have decided to exclusively use IsraJETS for our future travels. ”

Your wish...

At IsraJets, we pay meticulous attention to every detail, from timing and catering to ground transportation, in-flight entertainment, special events, and even customized, take-home gifts as a reminder of our great experience together. Our team is dedicated to working around the clock to provide the best possible flight experience, consistently receiving exceptional feedback from our satisfied clients.

Is our command...

To ensure such great experiences, our work begins the moment you book. IsraJets boasts a dedicated department for dispatching services, overseeing ground operations, securing overflight permits, and coordinating crew logistics. Our comprehensive approach not only distinguishes us as a client- and quality-first company, but also ensures seamless operations and guaranteed, stress-free travel for our clients.

IsraJets is equipped to accommodate a diverse range of aircraft sizes, spanning from light jets to ultra-long-range categories. Our 24/7 charter services are designed to cater to your unique requirements for every flight.

Giving Back

IsraJets has a strong commitment to giving back. We dedicate a significant portion of our profits to support non-profit organizations that save lives and assist community members during crises. Just like a family member would be there for you in times of need, we're here to help in situations such as being stranded without gas on the highway, facing a medical emergency, dealing with a burst pipe at home, or needing to deliver medicine to a loved one far away.
